

DIY TEMPESTUOUS ROLL ON COLOGNE RECIPE

© [Rebecca's Soap Delicatessen](#)

INGREDIENTS :

- 1 fl. oz. [deodorized clear jojoba oil](#)
- 1 fl. oz. [fractionated coconut oil](#)
- 1 fl. oz. [Ferocious Beast fragrance oil](#)

SUPPLIES :

- [7 roller ball glass bottles](#)
- [Plastic Transfer Pipettes](#)
- small glass measuring cup
- small metal utensil for stirring

DIRECTIONS :

Start by measuring 1 fluid oz. each of the jojoba and fractionated coconut oil in a small glass measuring cup. Next add 1 fluid oz. of fragrance oil and stir well. Using a plastic pipette, fill your perfume bottles, stirring the container of fragrance oil occasionally as you go, then cap your perfumes and label with my free downloadable labels. This recipe will yield seven .3 oz. (by weight) perfume oils.

Printable labels for personal use only.
